

Welcome...

...to Forrestal Flooring.

We have been specialising in providing and installing the highest quality wooden flooring for over 16 years. With a commitment to craftsmanship, quality products and fantastic customer care, we have established a great reputation with customers.

If you are looking for a hardwood floor which is timeless, elegant our wood floors can complement any interior whether traditional or modern, and will stand the test of time. If your home needs a lift and you are looking for a range of hardwood floors which will leave you spoilt for choice, look no further than us.

We offer free on site surveys and consultations to customers looking for solid wood flooring. This will enable us to discuss your project in more detail.

We understand that our customers are looking for hardwood flooring which is sourced responsibly. This is why we take great care when sourcing our timbers, and wherever possible our products carry FSC certification. This means you can be sure that your wooden floor has been selected from only properly managed and sustainable forests, this includes our engineered wood flooring.
